NEW NISSAN JUKE catches the eye from any angle. Its dynamic, sports-inspired design and coupé styling make a powerful statement wherever it goes. Advanced technology – including ProPILOT driving assistance – keeps you safe, connected and entertained for thrilling urban adventures. **THERE'S A NEW KID IN TOWN.**

TECHNOLOGY THAT'S GOT YOUR BACK.

New Nissan Juke gives you a better ride through life, with advanced Nissan Intelligent Mobility technology giving you more confidence and more connection to the world around you. ProPILOT technology moves with you, silently adapting to the way you drive, keeping an eye out and stepping in to steer, brake or accelerate when it counts.

CATCH EVERY EYE

Every detail of new Nissan Juke's exterior is made to be looked at. Inspired by dynamic boldness of original JUKE and Nissan sporting heritage, it's coupé crossover style was created to turn heads. With the 19" alloys it brings a strong stance. To make a statement. To say you've arrived.

LARGE, CLEAR TFT INSTRUMENT PANEL

New Nissan Juke's Advanced Drive-Assist Display puts you the information you need right where you need it.

FIND YOUR PASSION

New Nissan JUKE's interior is designed around you - with high-quality finishes, ergonomic controls and ambient lighting designed to put you in the mood for driving. The intuitive, layered cockpit design keeps you safe, in control and ready to enjoy the ride.

NISSAN INTELLIGENT MOBILITY

A SMARTER ROAD AHEAD.

New Nissan Juke is packed with intelligent driving technologies designed to help you move through life with more confidence, more excitement and more connection with the world around you.

INTELLIGENT EMERGENCY BRAKING WITH PEDESTRIAN RECOGNITION
Brakes to reduce low-speed collisions with vehicles, pedestrians or cyclists.

BLIND SPOT INTERVENTION
Alerts you if there's a vehicle in the blind spot area on either side of the car, and brings you back into line to avoid collisions.

TRAFFIC SIGN RECOGNITION
Keeps you up to date with the latest speed limit by detecting road signs as you go.

INTELLIGENT LANE INTERVENTION
Keeps you in the centre of your lane, and steps if you start to drift across the white line.

HIGH BEAM ASSIST
Turn on the lights when it gets dark, you enter a tunnel or you're driving in rain.

6 STANDARD AIR BAGS.
When a collision is unavoidable, Nissan's Zone Body Construction helps absorb the impact, while the advanced seat belt and air bag systems help protect passengers.

A SMILE ON YOUR FACE

From the responsiveness of its lightweight turbocharged engine to quick reaction shifting, from the rigid, ultra-high strength steel chassis to the sporty steering and suspension, new Nissan Juke handles like a dream. Add technologies and driver modes to maximise precision and control and check that smile that undoubtedly comes on your face!

INTELLIGENT TRACE CONTROL.

Keeps you on the right line by applying the brakes to each wheel independently.

INTELLIGENT RIDE CONTROL.

Delivers a smoother drive by controlling the engine and brakes to avoid pitching when accelerating and over bumps.

ECO MODE/SPORT MODE.

Select ECO for enhanced fuel efficiency, Standard for the best balance between fuel efficiency and performance, or Sport for maximum thrills.

PADDLE SHIFT. Responsive paddle gear change for a more fun, more engaging driving experience.

MANUAL OR DCT TRANSMISSION. 6-speed manual transmission or automatic 7-speed DCT for smooth, quick changes and manual mode for total control.

AT NISSAN, WE FOCUS ON QUALITY.

It comes first in everything we do, in the lab and the design studio, the factory and our dealerships and in our relationship with you. We try, retry and try again. Because everything we do is mastered through experience. We call it Nissan Quality.

360° PROCESS

We build in quality from the outset, meticulously conceiving each car to make them more comfortable and more durable through innovative design, intelligent technology and thoughtful details inspired by you.

SAFETY

We work with our intelligent driving systems to constantly look out for you and help you avoid any mishaps for a bolder, more confident driving experience day after day. Our Around View Monitor uses 4 cameras to give you a virtual birds eye view of your car in its surroundings.

EXTREME RELIABILITY

We push our cars to the limit to guarantee their daily performance and reliability. We travel millions of kilometres in pre-production tests, open and close doors and bonnets thousands of times a day and use real volcanic dust from Japan to test window resistance.

ULTIMATE PROOF | reevoo

Our commitment to quality is best demonstrated by you. Search for testimonials, reviews and ratings online or find out what people are saying about Nissan on Reevoo. It's the best place to compare vehicles and get real answers from real owners you can trust.

**AT NISSAN,
YOU BRING OUT THE BEST IN US.**

You spark our imagination. You provoke our ingenuity. You inspire us to change the rules and innovate. And at Nissan, innovation is not just about additions and extensions; it's about crossing the line to reinvent the status quo. It's about developing unexpected solutions to satisfy your wildest and most pragmatic desires. At Nissan, we design cars, accessories and services that break the mould - making the practical exciting and the exciting practical to offer you a more exhilarating driving experience everyday.

NISSAN INTELLIGENT MOBILITY

Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into partners. Together the journey is more confident, connected, and exciting. Whether it's cars that share the task of driving with you, or highways that charge your electric vehicles as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.
